

Commission to Strike at Speed Traps

LITTLE ROCK (AP)—The Arkansas Highway Commission aimed at making small-town speed traps a thing of the past yesterday by lightening its regulations to prevent what it called "unreasonably low speed limits."

Highway Director F. R. Oliver indicated the ruling was adopted because of complaints of speed

\$1 Million Is Offered for Maumelle Plant

DALLAS, Tex. (AP)—A decision is expected within two weeks on government acceptance of a \$1,001,011 bid by a Pennsylvania firm for the surplus Maumelle Ordnance Works near Little Rock, Ark.

The Perry Equipment Corp. of Philadelphia offered the high bid for the 3,000-acre installation yesterday at a bid opening by the regional office of the General Services Administration here.

Eight firms bid on the property. Second highest bid was \$733,000 from Hest and Pover Co., Inc., of New York City.

A. Tennenbaum Co., Inc., of Little Rock, bid \$600,000; Arkansas Louisiana Gas Corp. of Shreveport and Little Rock bid \$550,000 and S. E. Evans of Fort Smith bid \$500,000.

The plant, erected in the early 1940s to manufacture explosives for the Army, cost more than 14 million dollars. The GSA would not disclose the current appraisal price of the installation which has been idle since 1945.

traps in some small Arkansas towns.

"This gives us the authority to establish speed limits in small towns and raise them if they are unreasonably low," Oliver said.

The commission ruling said the Highway Department must give written approval of all traffic signals and signs used to control traffic entering or leaving a town on a state highway.

The ruling also said that such signals and signs must conform to standards set up in a 1959 state law.

Oliver said he had received "one or two" complaints about speed traps.

FAT OVERWEIGHT

Now available to you, our drug called ODRINEX. You must lose ugly fat in 7 days or your money back. No more strenuous exercise, laxatives, massage or taking of so-called reducing candies, crackers or cookies, or chewing gum.

ODRINEX is a tiny tablet and easily swallowed. When you take ODRINEX, you still enjoy your meals, still eat the foods you like, but you simply don't have the urge for extra portions because ODRINEX depresses your appetite and decreases your desire for food. Automatically your weight must come down, because as your own doctor will tell you, when you eat less, you weigh less. Get rid of excess fat and live longer. ODRINEX is sold on this GUARANTEE: You must lose weight within 7 days or your money back. Just return the package to your druggist and get your full money back. ODRINEX costs \$3.00 and is sold with this strict money back guarantee by: John P. Cox Drug Store—Hope—Mail Orders Filled.

Today Is Last to Buy a Poll Tax

LITTLE ROCK (AP)—If you want to vote in Arkansas during 1960, you'd better buy a \$1 poll

tax receipt before midnight tonight.

This is the last day for Arkansas residents to buy poll taxes. The receipts are good until Oct. 1, 1960.

Faulkner, Polk, Pope and Conway counties were sent extra poll receipts, Conway 1,200, Polk 393

tax receipts yesterday. State Auditor Jimmie Jones said an anticipated late request today.

Officials expect a last-minute poll tax receipts have been issued, compared with the 1957 high of 1,530.

Pope County received 1,530 \$2.24.

Conditions in Strait of Formosa Better

TAIPEI, Formosa (AP)—U.S. Defense Secretary Neil McElroy said today conditions in the Formosa Strait appear "better

strained" than they were ago.

McElroy arrived for a day visit with President Kai-shek, other Chinese leaders and American officials.

TELEPHONE TALK

By Vance Smiley, Wire Chief, Hope, Ark.

"THOSE BOBCATS"

About this time every year the citizens of Hope turn their attention to the local football team "The Bobcats", and this year is no exception.

It looked at first as if the local boys would be woefully lacking in size and experience this time, but every one who has followed their action will have to agree whatever they lacked was more than made up by desire and determination. Their first three games were against some of the states best, and they certainly gave a good account of themselves.

Much of the credit for any success the team may have must be given to the coaching staff who has done an outstanding job.

It is my opinion that both "Bobcats" and coaches are deserving of our most loyal support for the remainder of the season.

BEAUTY ON DUTY

What does the headline above mean to you? If you're a homemaker, it could mean a new washer or dryer, or maybe even a new dishwasher.

But here at the telephone company, we have our own special definition of "Beauty on Duty" — a bedroom telephone in color.

A bedroom phone in color deserves the title, too, because it brightens your bedroom while helping you keep in touch between chores during the day. It also gives you a sense of security and keeps you free from care and worry at night.

To order your bedroom phone in color, just call the telephone business office.

A FISHERMAN'S LINE

I was passing the time of day with a fellow recently when he suddenly said, "as if I had just thought of something — I just found out that if the receiver isn't on your phone straight and firm, that all the phones in your house can be tied up and nobody can call you."

"That's right," I said.

"Well," he said, "you ought to tell people about that. It's important."

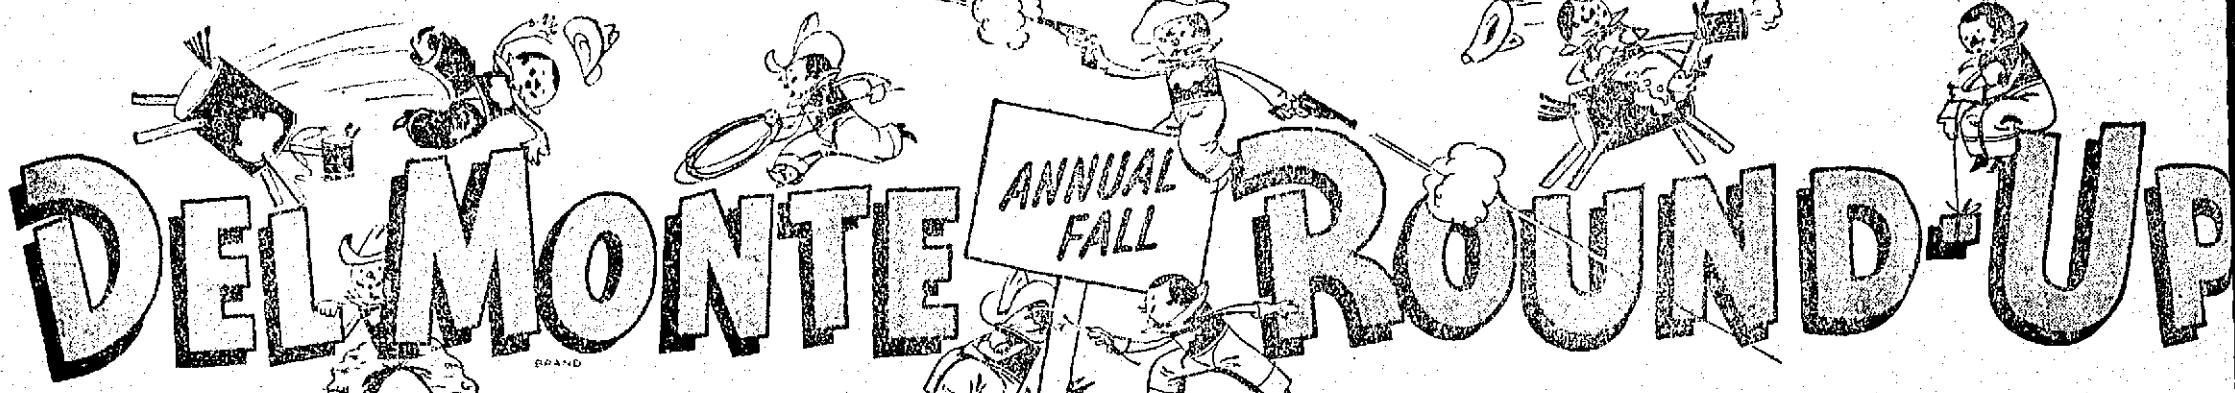

He's right. It is important to make sure receivers on all your telephone lines are on the hook. It's even more important if you're on a party line. A receiver off any phone ties up the line for everyone else.

"Why," I asked my friend, "are you so suddenly interested in this subject?"

"Because a fellow tried to call me and couldn't, and I missed out on a fishing trip — that's why," he said.

Call by number. It's twice as fast.

Duplicate Bridge Club Meets at Diamond Cafe
There were 3 1/2 tables of players when the Duplicate Bridge Club met at the Diamond Cafe on September 28. Mrs. R. L. Broach and Mrs. Taylor Stuart were the highest scoring couple.

Two couples tied for second place. They were Mrs. George Robison and R. L. Broach, and Mrs. Harry Hawthorne and Mrs. Marie Hendrix. Miss Elizabeth

Bridewell and Mike Kelly were third.

Mrs. A. D. Livingston Entertains Daughter, Lois Ann, With Birthday Party
On September 29 Mrs. A. D. Livingston had a party for her daughter, Lois Ann, who had had her third birthday on Sunday, September 27. The little guests gathered on the lawn of the Garrett Memorial Baptist Church.

They played games and were given toy guns and toy cars as favors. Pink roses decorated the small tables where the guests were served ice cream cones and pink and white cup cakes.

The honoree blew out the candles on a large, pink and white birthday

cake. Enjoying the party were 20 boys and girls and nine adults.

Junior Daffodil Garden Club Meets Saturday
The Junior Daffodil Garden Club met in Paisley Auditorium on September 28th. Ladies in charge were Mrs. Tom Purvis and Mrs. Duffie Booth. Jerry Poole was elected program chairman. After discussing the flower show which is to be in November, delicious refreshments were served by the ladies.

Mrs. E. J. Whitman To Tuesday Bridge Club
Mrs. E. J. Whitman was hostess to her Tuesday Bridge Club at their meeting on September 29. Mrs. Harry Hawthorne was a club

guest, when two tables of players joined in the afternoon game. Gardenias and roses were seen at vantage points in the home. High scores were made by Mrs. Hawthorne and Mrs. Whitman. A dessert plate was served for refreshments.

Mrs. Dewey Camp Entertains Tuesday Bridge Club
Red lilies decorated Mrs. Dewey Camp's home on September 29 when she entertained her Tuesday Bridge Club. Besides the club members, Mrs. Tom Kinser and Mrs. M. M. McCullough were also guests.

The high score was made by Mrs. Camp, while the game prize went to Mrs. H. C. Whitworth.

During the refreshment hour a salad plate and coffee were served to the two tables of players.

Mrs. Johnny Brannan Entertains Tuesday Night Bridge Club
On September 29 Mrs. Johnny Brannan entertained her Tuesday Night Bridge Club, and Mrs. Jud Martindale was a double winner, receiving prizes for both high scores.

Mrs. Wayne Russell was second high among the two tables of players. The hostess had her house attractively decorated with mixed bouquets of seasonal flowers, and she served dessert and coffee for refreshments.

Mrs. A. D. Livingston Entertains Daughter, Lois Ann, With Birthday Party

On September 29 Mrs. A. D. Livingston had a party for her daughter, Lois Ann, who had her third birthday on Sunday, September 27. The little guests gathered on the lawn of the Garrett Memorial Baptist Church.

They played games and were given toy guns and toy cars as favors. Pink roses decorated the small tables where the guests were served ice cream cones and pink and white cup cakes.

The honoree blew out the candles on a large, pink and white birthday

cake. Enjoying the party were 20 boys and girls and nine adults.

Junior Daffodil Garden Club Meets Saturday

The Junior Daffodil Garden Club met in Paisley auditorium on September 28th. Ladies in charge were Mrs. Tom Purvis and Mrs. Duffie Booth. Jerry Poole was elected program chairman. After discussing the flower show which is to be in November, delicious refreshments were served by the ladies.

Mrs. E. J. Whitman To Tuesday Bridge Club

Mrs. E. J. Whitman was hostess to her Tuesday Bridge Club at their meeting on September 29. Mrs. Harry Hawthorne was a club

guest, when two tables of players joined in the afternoon game.

Gardenias and roses were seen at vantage points in the home. High scores were made by Mrs. Hawthorne and Mrs. Whitman. A dessert plate was served for refreshments.

Mrs. Dewey Camp Entertains Tuesday Bridge Club

Red lilies decorated Mrs. Dewey Camp's home on September 29 when she entertained her Tuesday Bridge Club. Besides the club members, Mrs. Tom Kinser and Mrs. M. M. McClellan were also guests.

The high score was made by Mrs. Camp, while the game prize went to Mrs. H. C. Whitworth.

During the refreshment hour a salad plate and coffee were served to the two tables of players.

Mrs. Johnny Brannan Entertains Tuesday Night Bridge Club

On September 29 Mrs. Johnny Brannan entertained her Tuesday Night Bridge Club, and Mrs. Jud Matindale was a double winner, receiving prizes for both high scores.

Mrs. Wayne Russell was second high among the two tables of players. The hostess had her house attractively decorated with mixed bouquets of seasonal flowers, and she served dessert and coffee for refreshments.

Coming and Going

Odell Collier, Wilma Boswell, and Dale Howell attended the Hair Fashion Show this past weekend at the Hotel McCartney in Texarkana.

Mrs. Iber Willis of DeAnn had as weekend guests Mr. and Mrs. Jimmie Willis of Dallas, Tex., Mr. and Mrs. A. J. Cummings, Kathy and Tony of Mesquite, Tex., and Mr. and Mrs. Arthur Willis, Cindy and Paul of Little Rock, and Mr. and Mrs. Almar Willis and Terry of Hope.

Witnesses said the Morris duplex disintegrated. Rescuers who fought their way to the scene over flooded and almost impossible impassable roads said the largest piece of its furnishings they found was a twisted refrigerator.

Over the foundations of the duplex lay a tangle of fallen trees. Debris were found scattered over an area of 400 yards.

The Morris family dead were Ervin Sr.; his wife Frances, also in her late 40s; their children, Walter, 15, Ruby, 15, and James, 18, Mrs. Ervin Morris Jr., 18, and her two children, Peggy, 12, and Michael, 7 months; and George Morris, 10, a brother of Ervin Morris Sr.

Ervin Jr. and two children of the elder couple, Frances, Anne and Herbert, 8, were hospitalized. Mary, 12, and Georgia, 13, were waiting out the rain at the home of friends and escaped. They earlier had been reported missing.

THE REVOLUTIONARY
Corvair
BY CHEVROLET

There's nothing like a new car—and no compact car like this de luxe Corvair 700.

Here's the car created to conquer a new field—Chevrolet's low-priced compact Corvair.

The product of nine years of research and development, it's America's first truly compact car that retains the ride and 6-passenger comfort you're used to in a big one.

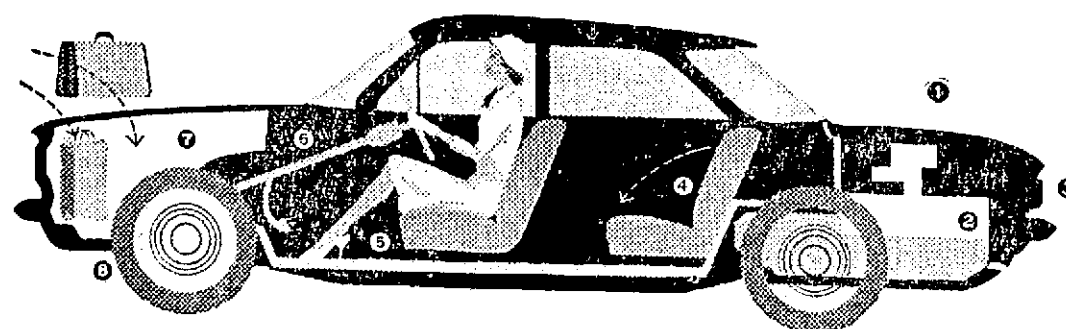

The key to this small miracle: America's only rear-mounted aluminum engine—a lightweight 6 that's so revolutionary it can be packaged with the transmission and drive gears as one compact unit.

With the engine in the rear, the Corvair's floor is virtually flat, front and rear, so there's plenty of foot room for everybody. Combined with Corvair's unique body-frame construction by Fisher, this provides interior spaciousness comparable to many postwar conventional-sized cars.

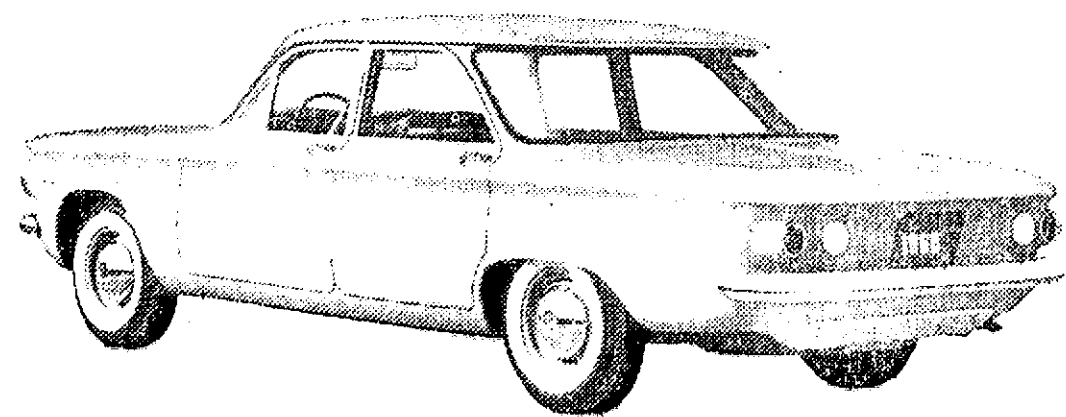

Shifting engine weight to the rear also makes for easier compact car handling and gives glued-to-the-road traction on ice, mud or snow. And with independent suspension at all 4 wheels—an advance comparable to the independent suspension of front wheels years ago—you get a poised, unruffled ride that rivals even the costliest cars.

These are all things no front-engine compact car can give you. And with them you get outstanding economy and practicality that would never have been possible if Chevrolet engineers had been content to make the Corvair merely a sawed-off version of a big car. Corvair's size—some 5 inches lower, 2 1/4 feet shorter and 1,300 pounds lighter than conventional sedans—makes it a joy to jockey through busy streets, a pleasure to park (no need for power assists). Its revolutionary Turbo-Air 6 gets up to 30% more miles on a gallon of regular. And, because the engine's air cooled, you never have to fuss with antifreeze, you get quicker warmup (even heat for passengers comes—almost instantly—from an airplane-type heater*). Wonderfully practical, yes. But you'll find the most practical thing of all about Corvair is its remarkably low price. Your dealer's the man to see for all the short, sweet details.

America's only car with an airplane type horizontal engine!
America's only car with independent suspension at all 4 wheels!
America's only car with an air-cooled aluminum engine!

The engine's in the rear where it belongs in a compact car!

You have your choice of two Corvairs—this one's the standard model.

Pulaski Told of Need for Buildings

LITTLE ROCK (AP) — E. F. Dunn, superintendent of Pulaski County rural schools, told members of his board today that "We either will have to build some buildings or buy some tents."

Dunn made the comment as the board started on an inspection tour of the schools.

It scheduled for later today a formal meeting to decide whether to ask for a millage tax increase at the December school election — and if so how much.

Increases of from two to five mills above the present 40-mill levy have been suggested to care for additional construction and operating costs.

The Little Rock School Board will meet tonight in its building, which has been repaired since the Labor Day bombing to decide on

The Little Rock millage rate also is 40 mills.

The board is not expected to ask that this be increased, but on the other hand there appeared to be little likelihood of a decrease, as has been suggested from some non-board quarters.

Here Friday from Chevrolet . . .

Elegant Impala 4-Door Sport Sedan—one of 16 spanking new Chevrolets you can choose from.

THE SUPERLATIVE '60 CHEVY

This is the one that says '60 like no other car. From its clean-thrusting grille to its dapper rear deck, there's so much that's new and different about this superlative Chevrolet it stands out from the rest like a fresh-minted coin. And you'll be just as wide-eyed over what's inside—the relaxing roominess, tasteful trim, hushed elegance of its new Body by Fisher, all comfortably cradled by Full Coil springs at all four wheels. Yet, sumptuous as this new Chevy is, it's got all the thrifty virtues that make it unmistakably a Chevrolet—with new economy of operation, new dependability new longer life. Here, then, we're confident both you and your budget will joyously agree, is the nearest to perfection a low-priced car ever came!

Here's the car that introduces a whole new decade of design—with so much that's new and different the others can only hope to come close.

It's the superlative '60 Chevrolet—with new space inside, new spirit under the hood, new splendor in every clean-etched line.

Freshly shaped contours rake back from the unified new grille to the jaunty rear deck, fitted with craftsmanship you'd expect only on the most expensive makes. Inside, the solidly built new Body by Fisher surrounds you with finely tailored fabrics and spacious

elegance. There's room to sprawl in, room to sit tall in—generously provided by Chevy's sofa-wide seats and extra margin of hat space. And there's even more leg room for the man in the middle—thanks to the way Chevrolet engineers have shaved down the transmission tunnel.

Out on the road, as Chevy's Full Coil ride will persuade you most gently, there's not a car near the price that comes close to the hushed comfort of this one. Adding to your sense of silence and solidity are thicker, newly designed rubber body mounts that

do an even more efficient job of isolating road shock and noise.

Quiet, quick-responding power is provided by a choice of two standard engines—Chevy's famed Hi-Thrift 6 and a new Economy Turbo-Fire V8 that gets up to 10% more miles out of a gallon of regular while delivering greater engine torque at normal speeds. There's also a choice of five other V8's and five transmissions, to assure the exact power combination to satisfy the itch in your driving foot. Chevy's accent on comfort and convenience even extends back to its easier-

to-load luggage compartment. You'll also find a convenient new parking brake that automatically returns to normal height after application, a new clutch linkage that filters out engine impulses more effectively than ever and new two-toning motif available on all 16 fresh-minted models.

But, impressive as all this may look in print, there's really only one way to tell how near to perfection this superlative '60 Chevrolet actually comes . . . and that's to drop in on your dealer and drive one!

Louisiana Team Comes to Hope Friday Night

Coach John Pierce's Hope High School Bobcats face another formidable foe Friday night at Hammond Stadium when they entertain the visiting Lions from Ouachita Parish High School of Monroe, La.

The Ouachita Parish team is coached by Bob Ellen, Hope native and former Bobcat star, and long time coach of De Queen and Texarkana High Schools. This will be the first meeting between the two teams.

The visiting Lions rate as decided favorites in the upcoming battle. Ouachita Parish plays in the highest Louisiana Classification comparable to Arkansas' Big Nine or AAA. Perennial foes of the Ouachita Parish school are such teams as Byrd and Fair Park High of Shreveport, Alexandria, Monroe, Ruston and other schools of the highest Louisiana classification.

In two official games this season the Lions downed Jonesboro, La., 26-13 and 1st to Ruston 14-0. Scores of practice games allow-able under Louisiana athletic as-sociation rules are not available. Coach Ellen's season football practice began with a two week foot-ball camp, also allowable under the Louisiana regulation.

Ouachita Parish will outweigh the Bobcats 12 pounds per man in the line with their starting for-wards tipping the scales for an average of 175 pounds as com-pared to 134 for the lighter Cats.

The visitors will hold a five-pound per man advantage in the backfield with a starting four-man averaging 160 as compared to the Cats at 155.

Following last week's unfortunate loss to the heavy Snackover Buckaroos by a 13 to 6 score in the mud the Bobcats were somewhat down, but are expected to give a good account of themselves this coming Friday night.

Coach Pierce indicated that his boys would have to scrap to stay on the field with the visiting Lions because they have a good team.

The Bobcats lost to Snackover last week dropped them out of the "Best Dozen" in statewide polls. In Double AA Classification the Cats were rated in one poll in No. 4 position right behind Cathalia High of Little Rock, Benton, and Snackover tied for No. 2.

Last week's rain cut down on

The (Chicago) White Sox, who inched their way to their first American League pennant in 40 years, remained 11-10 favorites over the Los Angeles Dodgers, National League champions, in the best-of-seven series.

They were given that edge be-cause they've had four days of rest. The Dodgers, too weary to bother with a workout Wednesday, had to dispose of Milwaukee's two-time champions in a playoff Tues-day.

Game time was 1 p.m. Eastern today's first game.

With crafty Early Wynn (22-10) pitching the opener against Los Angeles' Roger Craig (11-5), the Sox also were favored 11-10 to win Standard Time. The weather fore-cast called for cloudy skies—but no rain—and temperatures rang-ing up higher than near 60.

NBC will telecast and broadcast the game.

Both clubs, naturally, were con-fident. But Manager Al Lopez, who just signed a \$50,000 Sox contract for 1961, qualified his zest by ad-ding, "It will take the best efforts of everyone." That's the way the will-o'-the-wisp White Sox, having a mere 25th as a club and hitting only 97 home runs (low in the majors), won the flag.

Manager Walt Alston, mean-while, answered a query about Los Angeles' chances by pointing out that while his Dodgers won 3 of their last 10 games for the pen-nant, they were 5-0 against the two top contenders.

They whipped San Francisco three straight to take first place on the next-to-last weekend, then belted the Braves two straight in the playoff.

The White Sox clinched their first flag since 1919 by beating Cleveland in the 151st game of the 154-game schedule. That gave them a 15-7 record over the second-place Indians.

Standing Room Only for First Series Game

By ED WILKS
Associated Press Sports Writer
CHICAGO (AP) — A standing room crowd of nearly 50,000 was anticipated today in Comiskey Park for the opener of what could prove the richest World Series.

Yerger Plays First Home Game Saturday
The Yerger Tigers will play host to Dumbur High School Buffaloes Saturday night at Hammond Stadium. This will be the Tigers first home game of the season. They hold victories over Camden and Pine Bluff in two conference tilts.

The visitors from "Texarkana" have a large and strong team, their line averaging 185 pounds and they have plenty of power and speed in the backfield. In their last game they defeated one of the Yerger conference teams, El Dorado 10-8. The Buffaloes will be fired up for this game with the Tigers.

The Tigers this week are drilling on offensive blocking for better timing, with light scrimmage with emphasis on defense against Texarkana. Good work is expected of QB Earl Edwards, FB James McFadden and HBs Lee Warren and Henry Lee Reed. In the line the Tigers will have Roosevelt Pearson, Bob Ross, Richard Brandon, Floyd Turner. The ends showing strong are Commodore Knox, Charles Shaw and Roosevelt Jamison.

This being the Tigers first home game they are asking all boosters and fans to come out to Hammond Stadium Saturday night. Lets back the Tigers.

Band Mothers Plan Concessions
The buying committee of the Yerger Band Mothers Club met in the home of Mrs. R. D. George on Tuesday, Sept. 29 at 6 p.m. to plan for concessions for Saturday night, when the Yerger Tigers meet Dumbur High School of Texarkana at Hammond Stadium.

The Band Mothers are planning to buy new uniforms for the band, and the concessions are their chief source of income. Go by the concession stand and refresh yourself and enjoy the game.

Rising Star Promotion Day
The Sunday School Promotion Day Program held recently at Rising Star Baptist Church was very successful. A very enjoyable program was presented by the youth, along with a "King and Queen" financial drive. Rev. E. N. Glover was guest minister.

Bobbie Jones reported \$7.87 and was crowned Queen; David Williams reported \$10.05 and was crowned King. Other contestants were David Epps, \$6.45; Willie Witherspoon, \$5.31; Ronnie Lawson, \$4.31; Mae Mae Garland \$3.65 and Rose Smith \$1.60.

Sponsors of the contest were Moses Allen and Jessie Witherspoon. Miss Adell White, Supt. and Rev. M. S. Riley, pastor.

A Wonderful New World of Fords for 1960

A new world of style! A new world of savings!
A new world of performance! A new world of built-for-people comfort!
A new world of station wagon living!

On October 8, for the first time, there will be not one, not two, but three completely new kinds of Ford cars designed and priced for nine out of ten Americans:

- The 1960 Fords—The Finest Fords of a Lifetime, beautiful from any Point of View, worth more from every Point of Value!
- The 1960 Falcon—The New-size Ford, the world's most experienced new car, and the easiest car in the world to own!
- The 1960 Thunderbird—The World's Most Wanted Car!

FORD—The Finest Fords of a Lifetime

Here are 15 new models! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. Five beautifully husky new station wagons. A sleek new Sunliner convertible and a brand-new hardtop model, the Starliner.

A wonderful new world of style. Ford's beautiful new proportions flow smoothly through an elegant Thunderbird-inspired roof to swift rear-quarter lines.

A wonderful new world of performance. For action, there are new Thunderbird V-8's that blend blazing power and acceleration with kid-glove smoothness.

A wonderful new world of ride. With Ford's new Wide-Tread Design, wheels are spread farther apart for a full 5-foot tread. It handles and rides like the Thunderbird!

A wonderful new world of economy. Ford's Mileage Maker Six and Thunderbird 292 V-8 and 352 V-8 all travel beautifully on regular gas at savings up to a dollar a tankful. And go 4,000 miles between oil changes.

A wonderful new world of built-for-people comfort. Six big people—including the man-in-the-middle—ride in greater comfort than ever. The new Fords give you as much as 4 inches more shoulder room, more knee room, more hip room. You relax on chair-high seats.

A wonderful new world of safety. Ford's big safety news for 1960 includes new Truck-Size Brakes with brake linings 25% bigger. Ford's new Safety-Girder Frame is 25% stronger than ever before. Better visibility, too.

FALCON—The New-Size Ford

Here is the welcome news Americans have been waiting for... the Falcon, a product of Dearborn, Michigan, automotive capital of the world, was expressly designed for American needs on the American road. It's the one economy car without the economy-car look.

Averages up to 30 miles per gallon. Experience Run, U.S.A., proved it! Oil savings? Ford's standard Full-Flow Oil Filter stretched oil changes 4,000 miles apart.

The engine's up front for greater safety and stability. Built brand-new for the Falcon, the short-stroke Falcon Six was developed, and mounted up front, according to long-proved, thoroughly accepted engineering principles.

1960 Falcon seats six with ease. Six fit comfortably into the Falcon—and it swallows luggage for six in the big rear trunk that holds 23 cu. ft. Compare this with others!

Easiest car in the world to own. A Falcon is so easy on the wallet that it's easier than ever to be a 2-Ford family!

THUNDERBIRD—The World's Most Wanted Car

For 1960, the Ford Thunderbird is distinctively new—without basically disturbing the famous profile that has made it America's new fine-car favorite. It's the most wanted car of all!

No matter who you are... or what your tastes and needs... there's an exciting 1960 Ford styled, sized and priced for you. See your Ford Dealer October 8!

When Roll Called She Was Down Below

CLAY CENTER, Kan. (AP)—It was roll call day at the First Baptist Church and members were asked to stand when their names were read.

Mrs. Erma Burton wanted to be counted, but she couldn't be in the auditorium. She was in charge of the nursery in the church basement.

Members still are chuckling over the way she asked another member to count her present:

"When the roll is called up yonder, I'll be down below."

Hospital Has New Assistant Supt.

LITTLE ROCK (AP)—Dr. Hayden Donahue has taken over as assistant superintendent at the State hospital.

A member of the hospital staff from 1940 to 1951, Dr. Donahue later became director of mental health for the State of Oklahoma. He left that job to return to Arkansas.

Dr. Donahue now is the acting superintendent during an illness of Supt. Granville Jones.

Olen Hendrix of Antioch, chairman of the hospital Board of Trustees, said Dr. Robert Carnahan, former assistant superintendent, has been freed of administrative duties to work full time in medical and psychiatric fields.

Young Brothers Steal Two Cars

LITTLE ROCK (AP)—Authorities say two brothers, 10 and 11, each stole an automobile from the same parking lot here.

The young drivers wrecked both automobiles, after the Monday thefts, but the older drove about

20 miles toward his Sheridan home before he crashed into some trees. Neither boy was injured.

Five Students, Two Teachers Die in Crash

By WHITEY SAWYER

COOPER, Tex. (AP) — A bus filled with school children and teachers en route to a junior high school football game collided head-on Tuesday night with a huge tank truck. The violent crash killed seven persons — five students and two teachers — and injured 23 others including 22 children.

The bus from Mt. Vernon, Tex., and the diesel truck collided at a highway intersection on the eastern edge of this east Texas town. There was no fire. The impact hurled some children to the highway, demolished the bus and smashed the truck's cab.

"The bus made a signal to turn left and then for some reason swerved. I just couldn't miss him. It was horrible," said J. M. Warrington, 39, of Grand Saline, Tex., the truck driver.

Warrington was injured and taken to a Paris, Tex., hospital. He was en route home from Pryor, Tex., where he had delivered a load of salt.

Killed in the crash were Jack Henry, 41, principal of the Mt. Vernon Junior High School and driver of the bus; his son, Billy Max, 12; Melba Meeks, a teacher; Kenneth Hightower, 12, and Rex Wetherford, 12. Two other students, Zach Taylor and Audrey Sue Turner, 13, died in a hospital from their injuries.

Typhoon Vera Is Japan's Worst

TOKYO (AP)—Typhoon Vera today was classed officially as the worst storm disaster in Japan's

history. The official toll of known dead reached 3,174. The previous high — 3,066 killed — was recorded after Typhoon Muroto in 1934.

In addition, 1,776 persons are still missing, and police said all casualty figures might be increased when full communications are restored within the devastated areas.

So far, 9,419 injured have been reported. They included three Americans, the only U.S. casualties reported.

Vera smashed into thickly populated central Japan Saturday night with 100-mile winds.

Individual cities in ancient Europe issued their own coins.

Fulbright Has Started Tour of Arkansas

CAMDEN, Ark. (AP)—Sen. J. William Fulbright (D-Ark.) began a lengthy stumping tour here yesterday with a speech to the Camden Pilot Club. He followed the general theme of an earlier talk to newspaper publishers in Hot Springs, warning that Russia is ahead of the United States in boosting education.

Fulbright also spoke to the Prescott Rotary Club yesterday. He

was scheduled to rest near El Dorado and at Hot Springs before going to Little Rock for a speaking engagement Monday.

The senator tentatively plans to spend the rest of next week visiting and speaking in Clinton, Marshall, Mountain View, Salem, Mountain Home, Harrison and Fayetteville. All of his talks will be off-the-cuff reports on development in Congress and foreign affairs.

In his speech to the Pilot Club, Fulbright said Russia spends more money on schooling than America and cautioned that the American people are becoming complacent in educational matters.

He said he thought President Eisenhower was right in inviting

Russian Premier Nikita Khrushchev to this country.

On Arkansas topics, Fulbright said the Navy has agreed to liquidate a 65,000-acre naval ammunition depot in Ouachita and Calhoun Counties. Local interests have sought the release of this land to be used for industrial purposes.

He said Congress has approved a project to deepen the channel of the Ouachita River to nine feet. The channel now is 6 1/2 feet deep. About \$13 million will be required to make the change.

Fulbright's Arkansas headquarters will be in the old postoffice building in Little Rock during his fall speaking tour in 51 of the state's 75 counties.
